

## Program Waitlist by Territory

The waitlist of projects includes the project number, project size and requested incentive by utility territory. Projects will be removed from the waitlist as funding becomes available in the order in which the applications were received. For more budget information and current available funding, please visit [California Distributed Generation Statistics](#). Contact the SOMAH Program Administrator by email ([contact@CalSOMAH.org](mailto:contact@CalSOMAH.org)) or phone (858-244-1177 ext. 5) regarding questions and concerns.
